

| MAGICARD ID CARD PRINTERS | PRODUCT RECYCLING PASSPORT | |
|---|--|--------------------------------------|
| | Brand Name(s): | MAGICARD |
| Product Name : | Rio 2 M Secure ID Card Printer with Magnetic Stripe Card Encoder | Product family : "Annex 1B" |
| Product Code : | M9006 - 751 | |
| Date : | 30 March 2006 | |
| Contact for further information request: www.ultramagicard.com | | |
| Product(s) contain(s) / has | Substances | Y/N Comments |
| Batteries | | |
| External | Mercury/NiCad/Lithium/Other | NO |
| Internal | Mercury/NiCad/Lithium/Other | NO See §1 for further information |
| Parts containing | | |
| | Mercury | NO See §2 for further information |
| | Lead | YES PCB & Solder |
| | Cadmium | NO |
| | Printed circuit board assembly > 10 cm ² | YES |
| | Printed circuit board assembly From cell phones or similar | NO |
| | Liquid or paste toner cartridge | NO |
| | Hexavalent chromium | NO |
| | Capacitors with PCB's | NO See §3 for further information |
| | Capacitors with substances of concern* + height > 25mm or proportionately similar volume | NO See §4 for further information |
| | Gas discharge lamps | NO |
| | Backlight lamps of LCD/TFT | NO |
| | Mercury contained in Backlighting lamps | NO |

| | | | |
|---|---|---|---------------------------------------|
| | Plastic containing brominated flame retardants other than in Printed Circuit Assemblies | | NO |
| | Liquid Crystal Displays with a surface greater than 100 cm ² | | NO |
| | Asbestos | | NO |
| | Refractory ceramic fibres | | NO |
| | Radio-active substances | ↓ | NO See §5 for further information |
| | Beryllium Oxide | ↓ | NO See §6 for further information |
| | Other forms of Beryllium | | NO |
| Compartments/units/Part not in Annex 2 and are under or with | | | |
| | Pressure | ↓ | NO See §7 for further information |
| | Liquids | ↓ | NO See §8 for further information |
| | Gasses ** | ↓ | NO See §9 for further information |
| | "Hidden" mechanical springs or other equivalent parts ** | ↓ | NO See §10 for further information |

↓ = arrow indicates the need for the location of the compartment/substances within the product. Location is needed at part level.

* Substance of concern other than PCB, to be specified/addressed further in the context of EU Directive 2002/96/EC (27 January 2003)(WEEE Directive) Annex 2 National requirements and European developments

** Same need as for maintenance, service manuals and installation for safety purposes.

ALL VALUES MUST BE GIVEN IN METRICS

1. Internal Batteries

Type: NONE

Location:

2. Mercury

Location: NONE

3. Capacitors with polychlorobiphenyl (PCB)

Location: NONE

4. Capacitors with substance(s) of concern other than PCB

Substance(s): NONE

Location:

5. Radio-active substances

Source: NONE

Activity:

Location:

6. Beryllium oxide

Location: NONE

7. Pressure containers

Type of container(s): NONE
